RECOGNIZING THE SERVICE OF RICHARD "DICK" LAMM

(Mr. PERLMUTTER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PERLMUTTER. Madam Speaker, on behalf of Congressman CROW, Congressman NEGUSE, and myself, I rise today to recognize and honor Richard "Dick" Lamm, the former Governor of Colorado from 1975 to 1987.

Governor Lamm was a tremendous leader and public servant for our great State of Colorado. He passed away on July 29, 2021. As a three-term Governor, he was one of the longest-serving Governors in Colorado history.

Governor Lamm was born in Wisconsin and moved to Denver in 1962. He served as a State representative from 1966 to 1974, where he rose to the position of assistant minority leader. During that time, he sponsored and helped pass several pieces of noteworthy legislation, including the Nation's first abortion law in 1967, ensuring women access to critical healthcare, including abortion services in cases of rape or incest.

In 1987, he began his first term as Governor of Colorado and went on to serve for 12 years, earning support from people across the State with his no-nonsense attitude and strong commitment to equality, education, and the environment.

Before holding office, Governor Lamm served as a first lieutenant in the United States Army and worked as an attorney and a certified public accountant. After leaving office, he co-ordinated and co-directed the University of Denver Institute for Public Policy Studies.

Above all else, Dick Lamm was a devoted husband and loving father. He

stayed active in politics and kept up with Colorado news until his death. While Colorado has been blessed with many great leaders throughout its history, few rise to the caliber and reputation of Dick Lamm.

SOCIALISM IN AMERICA

(Mr. CAWTHORN asked and was given permission to address the House for 1 minute.)

Mr. CAWTHORN. Madam Speaker, you have squandered the inheritance of a generation today. You have governed with abandon and exchanged financial assurance for instant gratification.

Today, you didn't pass a budget plan. You passed a death wish for America. It is easy for you to sit up there and authorize \$68 trillion over the next 10 years because you will never have to shoulder the financial burden of your actions.

Your road map for our future is a highway to hell. You have exchanged the American Dream for a socialist nightmare.

To the American people: You have been lied to. Your taxes will be raised because of the actions of Democrats today.

I shudder to think of what our country, our city on a hill, our beacon of freedom, will look like in a generation when we deliver a Nation devoid of treasure to our children.

We will give account one day for our actions in this Congress. Madam Speaker, if we hand over a bankrupt legacy to our children, your actions today will be indicted, and you will be without excuse. Madam Speaker, you are walking around with my generation's checkbook, and we want it back.

BUILDING BACK BETTER

(Mr. SOTO asked and was given permission to address the House for 1 minute.)

Mr. SOTO. Madam Speaker, the American people have spoken. It is time to build back better.

Today's historic vote shows that President Biden and the Democratic Congress are united and that we are keeping our promises to the American people who put us in office.

Today, we move forward on the bipartisan infrastructure package to rebuild our Nation. Today, we move forward on the Build Back Better reconciliation bill to invest in American families. And today, we move forward on restoring the Voting Rights Act to protect our democracy.

It is not a moment too soon. Florida's Ninth Congressional District is the fastest growing district in the Nation, 40 percent growth, as I represent 955,000 constituents.

Whether it is central Florida or across the Nation, it is time to upgrade America's roads, bridges, ports, airports, rural broadband, clean water, and resilient and renewable energy. It is time to make childcare costs and
